Angel Therapy

Angel Reading

In an Angel Reading questions are directed to guardian angels and spirit guides for the purpose of healing some area of your life and/or receiving guidance about someone's life mission. The reading involves teaching empowering and life-affirming messages and providing spiritual tools so that clients know how to contact their own angels.

Angel Card Reading

It is common to use tarot cards as a supplemental tool to provide additional information during the reading. Everything that is alive vibrates and the universe works on these vibrations. The oracle card you choose is matching to the situation's vibrations and the structure around perfectly harmonized universal energies.

Angel cards are similar to traditional tarot; however, their message is only positive and fearful images have been removed.

Angel Clearings: Etheric Cord Cutting

Whenever a person forms a fear-based attachment to you (such as being afraid that you will leave) a cord is constructed between the two of you. When a needy person has formed an attachment to you, that person is sucking energy from you through this etheric cord, you perceive its effect – namely, feeling tired or sad or angry without knowing why and sometimes the negative emotion can come through into your body and the result can be sharp, pinching pain without any organic cause.

By having Archangel Michael assist in cutting cords you are not abandoning a person, you are only severing the dysfunctional, fearful, codependent area of the relationship, the he loving part remains attached.

You may sense air pressure changes, actual cutting of cords or other tangible signs that cord cutting is occurring. The people at the other end may think of you without knowing why for a moment as the cords are cut.

Vacuuming

When we worry about someone, blame ourselves for their misery or handle someone who's in emotional pain, we may take on the other person's negative psychic energy in a misguided form of helpfulness. Vacuuming helps us to stay balanced in our support to others and allows one to be more open to receiving help from others. Vacuuming allows for the removal of physic debris.

Most people see an immediate lifting of depression and a cessation of anger following a vacuuming session. Vacuuming is assisted with Archangel Michael and his Band of Mercy.

Lifting Energy of a Physic Attack

Occasionally, when people are angry at themselves or someone else, they send toxic energy that can create physical pain in their target. This is called a physic attack. Sometimes these assaults happen deliberately, and sometimes they're unintentional.

In calling on Michael and Raphael, the negative energies can visibly be removes from ones back and body, sometimes one even gets a sense on who sent the energies.

Healing Past Vows:

You may have taken vows in your past live. Among these are suffering, self –sacrifice or retribution, poverty, virginity, chastity/celebracy, obedience, and silence. Unless these vows are severed, they can follow one to Earth and place barriers in our relationships, finances, and life in general. No one is truly free until these past-life commitments are broken. The only healthy vows are those that you decide upon and check back on regularly.

We release these vows and their effects by calling on Archangel Raziel , who helps us to heal the vestiges of past lifetimes.
